

## Central Mine Planning & Design Institute Limited IPO

Clean Max Enviro Energy Solutions IPO Price: ₹163 to ₹172 per share

IPO Dates: 20th March - 24th March 2026

### Company Overview

Incorporated in 1974, Central Mine Planning & Design Institute Limited (CMPDI) provides consultancy and support services across the full spectrum of coal and mineral exploration, mine planning, and design. The company also offers infrastructure engineering, environmental management, specialised technology services, and management systems, primarily serving the coal industry along with other minerals.

CMPDI is one of the largest coal and mineral consultancy companies in India, holding a market share of 61.0% in Fiscal 2025. It is also the preferred consultant for Coal India Limited.

### Business Verticals

The company operates across multiple key verticals:

- Geomatics, Remote Sensing and Survey Services
- Geological Exploration and Resource Evaluation
- Mine Planning and Design Services
- Environmental Planning and Monitoring Services

## **Infrastructure and Capabilities**

CMPDI is supported by advanced infrastructure that enables it to carry out a wide range of activities in the coal and minerals sector. As of March 31, 2025, the company operates one of the largest fleets of exploratory drilling equipment in India.

The company has also demonstrated its capability to handle large-scale mining projects by planning open-cast mines with an annual production capacity of up to 85 million tonnes and mining depths reaching up to 420 meters.

## **Geographical Presence**

As of December 31, 2025, CMPDI operates seven regional institutes across major coal-producing states such as Madhya Pradesh, Chhattisgarh, Odisha, and West Bengal. These institutes support efficient project execution and enable close coordination with local mining operations.

## **Exploration Initiatives and NMET Projects**

CMPDI actively participates in mineral exploration initiatives with support from the National Mineral Exploration and Development Trust (NMET).

As of December 31, 2025:

- Four approved projects have already been completed
- Eleven exploration proposals were submitted for minerals including bauxite, copper, magnetite, and zinc
- Six projects were approved

## **Competitive Strengths**

- Multidisciplinary organization offering a comprehensive range of services
- Key consulting partner to Coal India Limited and the Ministry of Coal with a diverse client base
- Extensive expertise in executing exploration projects
- Advanced infrastructure supporting multiple services
- Strong parentage of Coal India Limited
- Experienced management team supported by a committed workforce
- Consistent track record of growth and financial performance
