

Laser Power & Infra Limited IPO

Laser Power & Infra IPO Price: ₹203 to ₹214 per share

IPO Dates: 9 to 13 Jul, 2026, 2026

Company Overview

Laser Power & Infra Ltd. is an integrated manufacturer of power cables, conductors, and specialised products and components for the power transmission and distribution industry in India. The company has also strategically expanded into the engineering, procurement, and construction (EPC) segment, providing turnkey solutions for rural electrification, power distribution infrastructure development, substation installation, and other power infrastructure projects.

As of March 31, 2026, the company operates three manufacturing units in West Bengal with a combined installed manufacturing capacity of 85.448 MT.

Business Operations

The company's operations are divided into two key segments:

- Manufacturing of power cables, control cables, speciality products, and conductors.
- EPC services, offering turnkey solutions for rural and urban electrification, power distribution, and infrastructure development projects.

As of March 31, 2026, the company had an order book worth ₹32,434 million. It has a pan-India presence across 26 states and four union territories, including West Bengal, Bihar, Jharkhand, Odisha, Assam, and Madhya Pradesh. The company also exports its products and services to 10 countries.

Competitive Strengths

- One of the leading manufacturers of power cables and conductors in East India in terms of installed manufacturing capacity.
- Strategically located manufacturing facilities that support efficient production and supply.
- Strong project execution capabilities with a proven track record of delivering complex EPC projects, supported by robust backward integration.
- Long-standing relationships with a diversified base of marquee customers.
- Strategic partnerships and collaborations with international players, strengthening its technological capabilities and market reach.
